CHAPTER 10 – ENDORSEMENTS 1

GENERAL RULES

A. APPLICABILITY

This manual is filed by First National Title Insurance Company, "First National", with the Utah Department of Insurance in accordance with Utah Administrative Code Rule R590-225. The rates and charges for title insurance herein are specifically for land located in Utah and are designed for use by policy issuing agents located throughout the state. Policy issuing agents for First National may issue preliminary reports, commitments, binders, policies, endorsements, and guarantees, and collect the applicable premium on behalf of First National.

First National reserves the right to decline to issue any title insurance policy, which in its sole and absolute discretion, determines to present an unacceptable risk.

B. COMPUTATION OF RATES

See Basic Schedule of Rates charts as provided by First National Title Insurance Company. Rates in the Basic Schedule of Rates are expressed in increments of \$5,000 of insurance. If the amount of insurance or liability exceeds a particular increment, the next highest increment is charged.

C. AMOUNT OF INSURANCE

Premiums are based on the amount of insurance or liability written and the Basic Rate Schedule must be used to calculate the appropriate charge.

D. FAIR VALUE

Fair value of the estate or interest to be insured shall be the sales price. Where no sale is involved, the fair value may be determined from all available information, including but not limited to, the aggregate of all recorded voluntary monetary liens, appraisals, assessed values, etc. In most transactions, the fair value will not be less than the sum of all recorded voluntary monetary encumbrances to which the land is a part. Any amount of insurance above of the fair value must be approved by First National.

E. INCREASED LIABILITY

The amount of insurance provided for in an existing policy of title insurance issued by First National may be increased as provided for in various sections of this Manual. Insurance exceeding the original amount of an existing policy is charged on an increased liability basis. The charge for an increased liability is the difference between the scheduled charge for the amount of insurance in the new policy and the scheduled charge based on the amount of insurance in the existing policy, calculated using the applicable rate for the type and amount of coverage.

F. ROUNDING PREMIUMS

When percentages are used to calculate premium, the amount must be rounded up to the next whole dollar. (e.g. \$105.51 is rounded to \$106.00 and \$105.39 is rounded up to \$106.00)

G. VALUING LEASEHOLDS

When determining the minimum fair value, amounts of insurance, and charges for Leasehold Owner's or Leasehold Loan Policies, see Chapter 3.

H. ASSUMPTION OF LIABILITY

When documents of any kind are recorded with specific instructions, which impose liability upon First National, the charge for the type of policy, or other form normally issued covering such documents, will be due upon such recording. Subsequent services rendered or assurances given will be charged at the applicable rates in this manual, unless otherwise provided.

I. MULTIPLE POLICIES OR OWNERSHIPS INSURED SIMULTANEOUSLY

Whenever two or more policies are issued simultaneously out of the same ownership, the applicable rates shall be charged based upon the aggregate amount of risk assumed and other charges which may be required.

This calculation does not apply to policies issued under the provisions of reissues of initial loan policies, and builders, subdividers and developer's rates.

The Minimum Fair Value of a leasehold estate is based on the term of the lease (including optional extensions) and how the term is proportionate to 50 years. If the term of the lease is equal to or greater than 50 years, the Minimum Fair Value is determined in the same manner as when insuring a fee estate. (See General Information, Fair Value)

If the term of the lease is less than 50 years, the Minimum Fair Value shall be an amount equal to the proportionate part of the fair value of the land and existing improvements as the term of the lease bears to 50 years. For example, if the fair value is \$100,000 and the term of the lease is 20 years, then the Minimum Fair Value would be \$40,000. (Term of the lease divided by 50) x (Fair value of the land and existing improvements) = Minimum Fair Value.

Formula: 25 year term divided by 50 years = 0.50 x \$150,000 fair value = \$75,000.

The coverage is issued by attachment of ALTA endorsement form 13-06 to the owner's policy and form or 13.1-06 to the loan policy, at no additional charge.

3.1. LEASEHOLD - LESSEE

3.3. LEASEHOLD – LENDER'S

The minimum charge is based on the amount of the indebtedness allocated to the land. Where additional coverage is requested on a leasehold loan policy, refer to the Basic Rates in General Rules "K".

3.4. LEASEHOLD – LENDER'S (Simultaneous with Leasehold Owner's Policy)

The original policy must be surrendered, an affidavit to that effect, or by Underwriter approval and the new policy issued for the current fair value of the land.

1. Standard Coverage Owner's Policy or Residential Title Insurance Policy:
40% of the Basic Insurance Rate, plus an increased liability charge if any.
Formula: Fair Value @ 40% of Basic Rate + increased liability = Premium
2. Extended Coverage Owner's Policy:
60% of the Basic Insurance Rate, plus an increased liability charge if any.
Formula: Fair Value @ 60% of Basic Rate + increased liability = Premium

CHAPTER 7 - REISSUE RATE

The provisions of this chapter are applicable when prior policies of title insurance was issued. The prior policy issued by First National or another qualified title insurer, may be an Owner's or Lender's policy, must have been issued within four (4) years from the issuance of the new policy, and insure substantially the same property. In order for the Short Term Rate to apply, the previous insured must furnish evidence of a prior policy at the time of making application for its new policy.

REISSUE RATE - RESIDENTIAL

This rate is available only on charges for the policies issued pursuant to the Ch. 1.1 and 1.2.

Prior policies issued within four (4) years from the issuance of the current policy: 65% of the Applicable Insurance Rate.

The minimum charges, if any, as set forth in this Manual shall not be affected by the Reissue Rate. This rate cannot be combined with any other discount.

7.2. REISSUE RATE – COMMERCIAL

When insuring commercial transactions the reissue commercial rate may be applied to any policy issued within four (4) years of the original policy.

Prior policies issued within four (4) years from the issuance of the current policy: 85% of the Applicable Insurance Rate.

CHAPTER 8 - MISCELLANEOUS/ADDITIONAL CHARGES

The charges set forth in this chapter may occur individually or at the time the charge for another product is being made. For example, a parcel charge generally would occur at the time that a policy of title insurance is issued; however, the charge might also be processed at a later date because it was inadvertently omitted from the initial total billing.

8.1. NON-POLICY TRANSACTION (Miscellaneous)

Code to be used for miscellaneous charges for which no other code exists.

8.2. EASEMENT AND/OR RIGHTS OF WAY REPORT

Owner's and Lender's policies insuring non-traditional real property interests present challenges in calculating the full fair market value of the interest to be insured. Most frequently, the interest to be insured by an Owner's title insurance policy is the entire fee simple estate. Occasionally, however, a lesser estate such as an easement or life estate may be insured. In such cases, the amount of insurance shall be determined based upon the fair market value of the actual interest being insured, not the overall fair market value of the property. For an easement, the amount paid for the easement or awarded by the court in a condemnation action may be used for the amount of insurance. Insuring other non-traditional real property interests, including easements and life estates requires prior written approval of FNTI underwriting counsel. The amount of insurance will be that amount which the Company in its sole discretion determines represents the fair value of the interest to be insured.

8.3. CONDEMNATION REPORT

A preliminary report of title (utilizing the Commitment) form for the acquisition by condemnation of rights-of-way, easements, or the fee title to streets, highways, pole lines and other similar purposes shall be issued at a charge of \$200 per parcel. This charge entitles the applicant to a Standard Coverage Owner's Policy, in an amount which applicant would normally purchase, not to exceed the condemned value of the property. The Basic Rate shall be charged for each additional unit of insurance in excess of the condemned value amount. The charge shall entitle the applicant to one continuation report (Commitment form) within a period of six (6) months after the date of the original report, to cover the filing of a Lis Pendens.

1. CONDEMNATION REPORT – CONTINUATION

Additional continuation reports over one, or if such report is requested more than six (6) months after the date of the original report, is charged at \$50 per report. Under no circumstances shall the continuation report include matters subsequent to the filing of a Lis Pendens and no portion of the charge shall apply as a credit toward a policy.

8.4. INTENTIONALLY DELETED

8.5. REINSURANCE FEES

Rates quoted under this Manual may increase with the cost of any reinsurance or coinsurance required by the insured.

8.6. INTENTIONALLY DELETED

8.7. INTENTIONALLY DELETED

8.8. INTENTIONALLY DELETED

8.9. INTENTIONALLY DELETED

8.11.TIMESHARE INTERVAL RATE

- a) This Section is applicable to title insurance insuring the Timeshare/Interval Estate Interest of an owner, purchaser and lender. The Charge for an owner's policy or loan policy will be calculated based upon the type of transaction and the value of the estate or interest covered using the following table.

c) The Premiums for any endorsements are as provided in Chapter 10 of this Manual.

8.12.CLOSING PROTECTION LETTER FEE

Based Utah Insurance Code 31A-4-117; the fee for each closing protection letter "CPL" issued at the time of closing shall be \$25. This fee is for the protection of a party receiving the benefit of closing protection, the buyer, borrower or seller and the lender, in connection with the real property transaction giving rise to the issuance of the closing or settlement protection.

CHAPTER 9 - REPORTING CODES AND INSTRUCTIONS

The codes and instructions for reporting the issuance of insuring forms and the premiums collected are set forth in this chapter.

A. REPORTING TRANSACTION CODES

The section and subsection numbers of this manual are the codes to be used in reporting and calculating the premium for each transaction. Where one section refers to another for the rates, the section which most accurately describes the transaction should be used. If the premium consists of a combination of transactions (e.g. Ch. 1.1 plus 2.7), all transaction codes should be typed or written at the top of Schedule A or the first page other than the jacket of each insuring form, or on a separate document attached to each insuring form. Simultaneously issued policies should be listed together for reporting.

B. COUNTY CODES

The following county codes should be reported for each insuring form and appear on the same document near the transaction code. If the policy insures land in more than one county, the code for each county should be reported. The codes are:

County Name	Code	County Name	Code
Beaver	001		
Box Elder	003	Plute	031
Cache	005	Rich	033
Carbon	007	Salt Lake	035
Daggett	009	San Juan	037

Juab	023	Wasatch	051
Kane	025	Washington	053
Millard	027	Wayne	055
Morgan	029	Weber	057

C. POLICY ISSUING LIMITS

Policy issuing agents have a contractual limit as to the amount of insurance it may issue in connection with a single risk. Any liability amount of insurance above this limit requires First National prior written approval. This allows First National an opportunity to approve and participate in the underwriting of these transactions, and arrange for reinsurance or co-insurance, where First National or the parties to the transaction may require. When a transaction liability amount is in excess of the issuing limit, the agent must complete a request to issue excess limits form, submit the commitment, survey and other supporting documents via email or fax to First National Legal/Underwriting Department. The form and contact information is located on the First National Title Insurance Company website (www.FNTI.com).

D. HOW TO REMIT PREMIUMS

Premium remittances must be sent to First National monthly and/or as otherwise instructed by First National or as required by local regulation to:

First National Title Insurance Company, 2400 Dallas Parkway, Suite 580, Plano, Texas 75093

Premium remittances must be based on the total title insurance premium paid by the consumers and include the transaction type, the base premium, and any endorsements and the corresponding premiums.
